

## Meeting 1 : 6<sup>th</sup> Feb 2023

News Api - Nish

Passes info and Converts to a different language - Esha

GUI and Unit Testing - harshil and Aisha.  
↳ JavaFx

\* decided on No database yet

\* reminder: penalty for big Commits

GUI: (general idea was discussed)

- 1) Plan how it should look
- 2) VI / Figma (push to github)
- 3) Coding
- 4) A few pushes.

Testing:

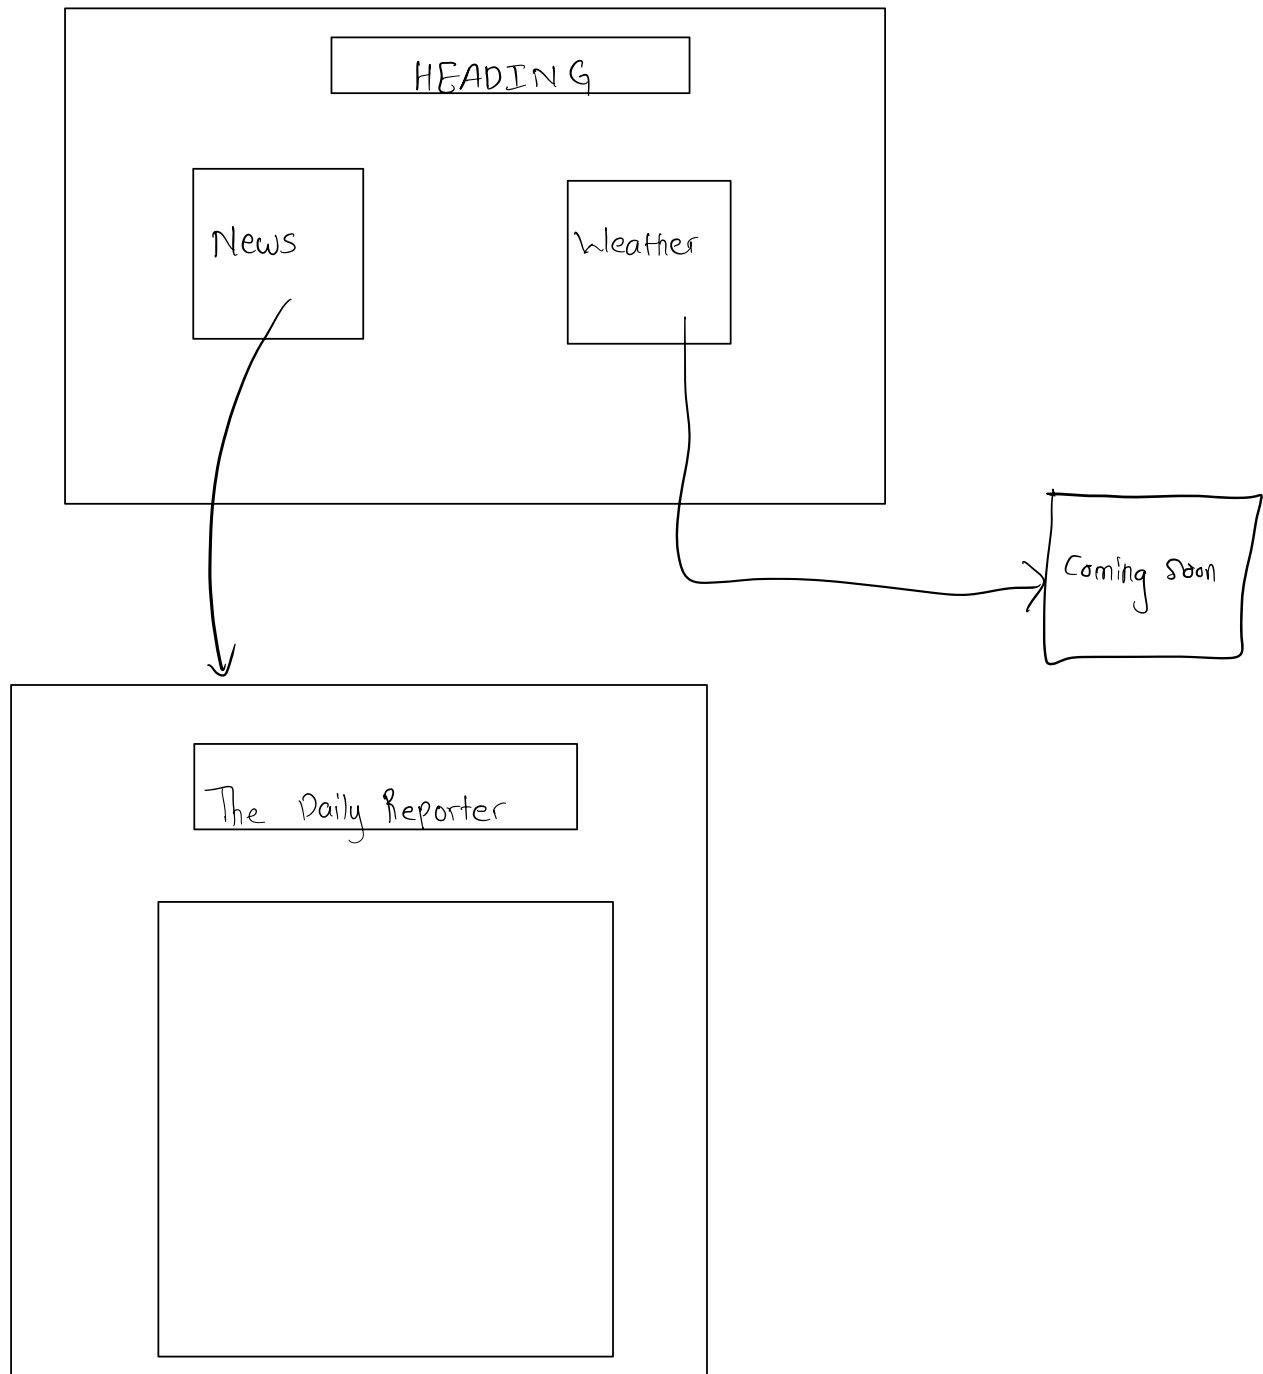

- 1) API
- 2) JSON

\* We all decided to work on our parts which were assigned and meet on the 15<sup>th</sup>.

Meeting : 10<sup>th</sup> Feb 2023

\* Planning what the GUI would look like.

\*

Meeting : Feb 15 2023

Change: No translating API, instead implementing different features

Making 3 classes:

person class

Category class

ratings class - to keep records of all the ratings.

Comment class

\* After this everyone finished their tasks and pushed.
